

2013 DESIGN-BUILD EDUCATION SERIES

Design-build construction projects are becoming more common in the Hawaii market.

The Design-Build Institute of America (DBIA) has developed several programs to help you understand the design-build process.

The Hawaii Chapter is pleased to offer this series of specialized workshops for the successful implementation of design-build practices.

LOCATION

SSFM International*
Iwilei Business Center
501 Sumner St., Ste 620
Honolulu, HI 96817
