

2019 DBIA-WPR OWNERS COUNCIL WEBINAR SERIES

Session #3 - DEVELOPING PERFORMANCE BASED REQUIREMENTS FOR DESIGN-BUILD PROJECTS

The series is built from the Design-Build Institute of America's Design-Build Done Right Best Practices Primer. A highly experienced practitioner will present the topics.

April's "Developing Performance Based Requirements for Design-Build Projects" presentation will be done by Mr. Michael Bade, the Associate Vice Chancellor of Capital Programs & Campus Architect of UCSF. Mr. Bade has worked extensively in the Design-Build marketplace as an Architect and Owner.

WEBINAR SERIES

Thursday, April 11, 2019

12:00 pm to 1:00 pm

REGISTRATION VIA ONLINE AT: www.DBIAwpr.org

SPEAKER

Michael Bade, Associate Vice Chancellor Capital Programs and Campus Architect - UCSF

Mr. Bade is a California registered architect with an M. Arch and a B. Sci. from UC Berkeley. Mr. Bade is a key participant in UCSF's physical and capital planning processes, and oversees design standards and design outcomes for a program commitment of over \$2.5B over 10 years, including over \$400M for seismic remediation projects. Prior to joining UC, Mr. Bade spent nearly 12 years in Tokyo, Japan engaged in architectural design, project management, and program delivery for a wide range of international companies in the high-technology, international banking, software, pharmaceuticals, and photographic imaging industries. In Japan, he was exposed to cutting-edge practices in building technology, design-build project delivery, and construction quality. He is past Chair of the Board of the Lean Construction Institute, and also past President of the San Francisco Chapter of the American Institute of Architects, and a past member of the California Council of the AIA. He has worked in the University of California Office of the President, providing coordination and oversight services for projects system-wide.

UPCOMING WEBINARS
