

2019 DBIA-WPR OWNERS COUNCIL WEBINAR SERIES

Session #4 - DESIGN-BUILD ACQUISITION AND CONTRACT INCENTIVES – AN OWNER’S PERSPECTIVE

The series is built from the Design-Build Institute of America's *Manual of Practice*. A highly experienced practitioner will present the topics. Design-build project delivery proves more than any other method that "ordinary people can do extraordinary things." Writing contracts that are successful at effectively motivating people, however, is central to making this happen. Successful motivation requires a well-written contract that provides appropriate awards and incentives.
