

2019 DBIA-WPR OWNERS COUNCIL WEBINAR SERIES SESSION #6 - "LEAN – HOW TO MAXIMIZE YOUR DESIGN-BUILD PROJECT"

This is session #6 for the 2019 Owners Council Webinar Series. The series foundation is built from the Design-Build Institute of America's *Manual of Practice*. This year's theme is "Design-Build Done Right." A highly experienced Practitioner will present each of the 9 topics. July's 40-minute presentation titled "Lean – How to Maximize your Design-Build Project" will be hosted by David Umstot. David Umstot brings a 360-degree perspective to capital project delivery experience with more than 30 years of experience. He is the lead author of Lean Project Delivery | Building Championship Project Teams and has worked with teams delivering more than \$6.5B in projects using Lean over the past 5 years. David is a past public owner in California, a current associate faculty member at San Diego State University and a past President of the Western Pacific Region.

WEBINAR SERIES Thursday, July 18, 2019 12:00 pm to 1:00 pm

REGISTRATION VIA ONLINE AT: www.dbiawpr.org

SPEAKER

David Umstot, PE, CEM
Co-Founder and President
Umstot Project and Facilities Solutions, LLC

Mr. Umstot is a nationally recognized authority in Lean project delivery, program management, facilities management and sustainability. He has seen the industry from 360 degrees as a designer, builder, design-builder, facilities manager, executive, owner and coach and brings a unique perspective on how Lean can transform projects and organizations. He is a principal of Umstot Project and Facilities Solutions and an associate faculty member at San Diego State University. He is the lead author of Lean Project Delivery | Building Championship Project Teams. David has been coaching owners, developers, builders, designers, and specialty trade contractors in Lean thinking, culture change, and continuous improvement as part of the company's core offerings. He has coached more than 30 project teams using Last Planner® and trained more than 100 teams in Last Planner® use. David has helped project teams deliver more than \$6.5B in construction value delivered using Lean.
