

## About the Design Build Institute of America

The Design-Build Institute of America (DBIA) was founded in 1993 to provide a voice for design-build practitioners, to advocate best practices, to create and disseminate educational information, and to furnish advice and support to facility owners and users. Its membership includes design-builders, construction contractors, design professionals, subcontractors, representatives of government agencies, academics and other professionals.

## Who Uses Design Build?

In the United States, the private sector's use of design-build has been increasing during the past thirty years, and is found in a wide array of commercial, institutional and industrial applications. In the U.S. sector, the federal government, as well as many states and local governments, employ design-build contracting for a significant percentage of their building programs.

## The Castlewood Country Club

In 2016, Castlewood Country Club celebrated the 90th Anniversary of the Hill Golf Course, one of two 18-hole championship golf courses. The two courses offer very different golfing experiences. The Hill Course, designed by William P. Bell, features a variety of elevation, phenomenal views of the valley below and requires focus to conquer this challenging course. The Valley Course is a great course to walk, and is a challenge due to its length, topography and rapid greens.

With a rich history, founded by the Hearst Family, Castlewood is a place where memories are created and treasured. The Hearst Family donated this land to the Club to create a place where their dreams of luxury, sportsmanship, and camaraderie could be enjoyed and carried on for generations. Castlewood's pride is in its golf courses however Castlewood also offers tennis courts and tournaments, a large swimming pool which hosts the Barracuda Swim Team, bocce leagues in Spring and Fall, dining experiences in three different restaurants and a variety of member events throughout the year.

Continuing to educate upcoming Design Builders is one of the building blocks of our industry.

Our programs and golf tournaments help fund several student development activities:

- Participation at our National Conferences
- Teams to the Reno DB competition
- Twelve \$4,000 Scholarships
- Sponsorships of programs and student events

The Western Pacific Region currently sponsors student chapters and activities at Long Beach State, Cal Poly San Luis Obispo, Chico State, Sacramento State, Stanford University with additional schools in the development stages.

Thank you for your support of DBIA-WPR and especially up and coming students!!
