DBIA-WPR LA/OC CHAPTER WEBINAR
DESIGN-ASSIST AND DESIGN-BUILD: OPPORTUNITIES TO BRING SUCCESS TO SEISMIC RETROFITS

Join DBIA-WPR LA/OC Chapter for a webinar. Cities in high seismic zones across California are implementing mandatory retrofit ordinances to address life safety hazards, opening opportunities for design and construction teams to support these important projects. Learn how early team building through collaborative design-build and design-assist delivery methods can enhance the retrofit process. Our expert panel including representatives from LADBS, LBDS, Swinerton, MHP Structural Engineers and Degenkolb will weigh in on the impact of retrofit ordinances on the future of construction, upcoming trends, and how to prepare structures for life-safety and post-earthquake habitability.

2020 LA/OC CHAPTER WEBINAR
TUESDAY, AUGUST 25, 2020

Log On: 9:55am
Webinar Begins: 10:00am
