

DBIA-WPR BAY CHAPTER YP WEBINAR DESIGNING FOR THE MODERN AIR TRAVELER

Join DBIA-WPR BAY Chapter YP's for a webinar.

Asking the Architect: How Woods Bagot Principal Katy Mercer and Gensler Principal Ryan Fetters navigated the complexities of a design-build project at the San Francisco International Airport (SFO Airport).

The SFO Airport recently welcomed passengers into the newly renovated sections of the Harvey Milk Terminal 1. Passengers of American Airlines, Jet Blue, and Southwest can now access a modern Boarding Area aimed at reducing the stress of air travel. This celebration is the most recent program milestone for \$2.4 B reconstruction vision. This evening we will hear from two of the visionary Principals who helped guide their design-build teams from concept to reality.

2021 BAY CHAPTER YP WEBINAR THURSDAY, AUGUST 26, 2021

Log On: 4:45pm

Webinar Begins: 5:00pm
