

## About the Design Build Institute of America

The Design-Build Institute of America (DBIA) was founded in 1993 to provide a voice for design-build practitioners, to advocate best practices, to create and disseminate educational information, and to furnish advice and support to facility owners and users. Its membership includes design-builders, construction contractors, design professionals, subcontractors, representatives of government agencies, academics and other professionals.

## Who Uses Design Build?

Design-Build is the project delivery system of choice on more than 50 percent of the non-residential construction projects in the European Community and more than 70 percent in Japan. In the United States, the private sector's use of design-build has been increasing during the past thirty years, and is found in a wide array of commercial, institutional and industrial applications. In the U.S. sector, the federal government, as well as many states and local governments, employ design-build contracting for a significant percentage of their building programs.

	Damion Martin Bay Chapter Chair	Gregg Zoll Director

## Ewa Beach Golf Club

Ewa Beach Golf Club is designed by Robin Nelson and offers an 18 hole links style championship course. It is a well-kept secret hiding at the far end of the Ewa plains that is always kept in premium shape with best greens and fairways on the island of Oahu. With the Waianae mountain range in the background, you get a unique experience from the very first shot as you tee off over the remains of a kulanakauhale, or ancient Hawaiian fishing village. You will also be visited throughout your round by native species of birds including the 'alae ke'oke'o, 'auku'u, and the endangered ae'o.

## Join DBIA Membership

DBIA is the only organization that defines, teaches and promotes design-build best practices. Members are connected to a network of over 5,000 leaders in the design and construction industry. Visit [www.DBIA.org](http://www.DBIA.org) to join our DBIA Membership!

Continuing to educate upcoming Design Builders is one of the building blocks of our industry.

Our programs and golf tournaments help fund several student development activities:

- Participation at our National Conferences
- Teams to the Reno DB competition
- Twelve \$2,000 Scholarships
- Sponsorships of programs and student events

The Western Pacific Region currently sponsors student chapters and activities at Long Beach State, Cal Poly San Luis Obispo, Chico State, Sacramento State, Stanford University with additional schools in the development stages.

Thank you for your support of DBIA-WPR and especially up and coming students!!
