

DBIA-WPR OWNERS' COUNCIL WEBINAR

2021 OWNER TO OWNER SERIES - OWNERS' CRITICAL DECISION POINTS FOR PROGRESSIVE DESIGN-BUILD

Join **DBIA-WPR Owners' Council** for session #1 of the 2021 Owners' Council Webinar Series. The series foundation is built from the Design-Build Institute of America Manual of Practice. A highly experienced Owner, Practitioner, or Academic will present each of the series topics. May 5th webinar will be hosted by Mike Meredith of Dept. of General Services with a distinguished panel. Are you interested in hearing from an experienced Owner and a panel of practitioners about the detail and decisions points in a Progressive process? The discussion will attempt to take a deeper five into the pros and cons in selecting trade partners for pre-construction. Strategies on when and how to set the GMP will be vetted. Learn why Owner expectations must be aligned with the target value identified. Join us and hear from acknowledged industry experts for how to make your projects successful.
