

DBIA-WPR BAY CHAPTER WEBINAR THE CITY OF SANTA ROSA PROJECT PRESENTATION

Join DBIA-WPR Bay Chapter for a webinar covering covering prospective business opportunities in the North Bay. The City of Santa Rosa is making its first significant push into the Design-Build delivery method and will be presenting select projects from their capital improvement plan to our audience of Design-Build contractors and subcontractors. The City's Capital Projects Engineering team will discuss its plans for DB projects that will start as soon as this fiscal year and are looking for insights into project delivery from the audience.

The City staff is excited to embark on these design-build projects and familiarize themselves with your best practices and experience. This webinar is a "MUST ATTEND" for any Design-Builders in the commercial construction, water/wastewater and transportation industries.

BAY CHAPTER WEBINAR TUESDAY, MAY 10, 2022

11:30am - 1:00pm / PST

REGISTRATION ONLINE ONLY AT dbiawpr.org

Webinar is hosted by the Western Pacific Region Bay Chapter. **There is a follow-up, no cost registration at Go-To-Webinar for log in.** Webinar registration is open to all chapters, members and non-members. Sponsorship opportunity available at online registration. **Questions?** Contact DBIA-WPR at admin@dbiawpr.org.
