

DBIA-WPR LA/OC CHAPTER LUNCHEON DB BEST PRACTICES SERIES – EARLY TRADE CONTRACTOR INVOLVEMENT

Join DBIA-WPR LA/OC Chapter for a lunch presentation. This month's DBIA Panel features experienced Trade Contractor professionals from the LA-OC region. Our experts are from Rosendin Electric, Control Air, KHS&S, and Pankow, moderated by Leo A Daly. Together they will be providing their insights and keys to delivering successful projects utilizing Design-Build and why early trade contractor involvement is an essential key to winning your next big project.

In this session of our continuing education series, we will take a deep dive into how and when trade partners are engaged during the RFP, Design and Delivery phases. How to set expectations and define scope between consultants and trade partners. The processes and tools used to ensure project benefits, our panelist's lessons learned, and recommendations to avoid project pitfalls.
