

DBIA-WPR LA/OC CHAPTER HOW TO PREVENT DISASTER - OWNERS EDUCATING OWNERS

Join DBIA-WPR LA/OC Chapter for an insightful presentation featuring three distinguished progressive design-build industry experts as they share best practices and strategies for educating owners on the progressive design-build process. Our speakers from the CSU System, Vanir, and Lionakis will address common misconceptions and challenges faced by owners and offer valuable tips to ensure successful outcomes. This is an essential session for anyone looking to deepen their understanding of progressive design-build and improve collaboration with project owners.
