

DBIA-WPR SACRAMENTO CHAPTER EXECUTING PREFABRICATION IN CALIFORNIA HEALTHCARE CONSTRUCTION

Join DBIA-WPR Sacramento Chapter for an in-person panel discussion and networking reception. When integrated project teams adopt necessary behaviors and approaches to successfully integrate prefabrication strategies, the results are remarkable. Our expert panel will share experiences and insights on achieving efficiency, cost savings, and quality improvements through this innovative approach, showcasing healthcare projects as case studies. Join us to dive into future trends in prefabrication and how teams are driving these industry-changing strategies.
