

DBIA-WPR SACRAMENTO CHAPTER EVOLUTION OF THE DESIGN-BUILD PROCUREMENT PROCESS AND OPPORTUNITIES FOR IMPROVEMENT

Join DBIA-WPR Sacramento Chapter for an in-person panel discussion and networking reception. In the spirit of continuous improvement, are there potential improvements to the team selection process that owners would consider when selecting design-build teams? Join us for a conversation with a panel of owners and owners' representatives to hear their experiences with design-build and how they've evolved their team selection processes over the course of recent projects and ideas they are considering implementing for future solicitations.
