

DBIA-WPR LA/OC YOUNG PROFESSIONALS FOSTERING INNOVATION & INVESTING IN TOMORROW WITH PCI

Join DBIA-WPR LA/OC YPs for networking and a tour. Performance Contracting, Inc. has developed an event promising to be a valuable opportunity to connect with industry professionals while exploring cutting-edge technologies that are shaping the future of the construction industry. Participants will enjoy an interactive tour of PCI's facility and witness live demonstrations of innovative solutions including:

- Resolve VR – Enhancing safety, quality, and sustainability on-site.
- CNC Router Cutting Machine – Delivering consistent quality and accurate lead times.
- Dusty Robotics – Printing digital models directly on the jobsite floor with speed and precision.
- Press Brake Machine – Shaping metal with incredible accuracy and precision.

As you tour each technology station, you'll collect stamps in your "PCI passport," and one lucky participant will win a VR set!

Food and beverages will be provided, and this will be a fantastic chance to network with other professionals in the field.
