

DBIA-WPR SACRAMENTO CHAPTER YOUNG PROFESSIONALS JOB WALK & MIXER

Join **DBIA-WPR Sacramento Chapter Young Professionals** for our summer job walk and mixer that will act as a fundraiser event for future chapter events and student scholarships.

This will be a great opportunity to tour a local Design-Build project – the Sutter Arden Care Center! The S+B James Construction team will present on the job and guide you throughout the walk.

Food and drinks will be provided at Rock and Brews following the job walk. The location is walking distance from the job site. This is an amazing time to get to know fellow Young Professionals in the area.
