

DBIA-WPR ARIZONA CHAPTER DRIVING SUCCESS – A DISCUSSION ON ADOT’S FIRST PROGRESSIVE DESIGN-BUILD PROJECT

Join DBIA-WPR Arizona Chapter for a lunch program. ADOT recently issued its first ever progressive design-build project to renovate and add additional truck parking at rest areas along I-40 and I-17 in northern Arizona. A panel including the Design Integration Manager and Project Manager from Sundt Construction, ADOT and the design team will discuss their processes, established practices and lessons learned that delivered extraordinary success for the project and ensured ADOT’s consideration to utilize Progressive Design-Build in the future.

ARIZONA CHAPTER LUNCH PROGRAM
