

DBIA/CSI EDUCATION EVENT

TRANSBAY TRANSIT CENTER/CALTRAIN

DOWNTOWN EXTENSION PROJECT UPDATE

As Phase 1 of the \$6 Billion Transbay Transit Center Project approaches completion, join us for an update on the construction of the Terminal and its Grand Opening, as well as a look forward to Phase 2, the Downtown Extension project and the possibility of an alternative delivery model. Presented by Steve Rule of Turner Construction Company and E.R. "Skip" Sowko of the Transbay Joint Powers Authority, this will be an inside look into one of the largest projects in San Francisco.

Wednesday, July 12, 2017
6PM - 9PM
Sir Francis Drake Hotel, San Francisco

SPEAKERS

Steve Rule, Construction Executive - TURNER CONSTRUCTION

Steve has 33 years' experience in the construction industry. He has worked on both public and private projects using a variety of project delivery methods including CM at Risk, Design-Build, Lump Sum Bid and Agency CM. Steve leads Turner's Construction Management Oversight team for the Transbay Joint Powers Authority on phase one of the \$2.2B Transbay Transit Center project in San Francisco. He provides oversight on two aviation projects at SFO (one CMAR and one Design-Build) and a terminal project in Cam Ranh Airport, Vietnam. Prior to this Steve worked on the SFO Terminal 2/Boarding Area D Renovation and Expansion project, a \$380M design-build project and the Oakland International Airport Terminal 2 Renovation and Expansion project, a \$180M CM at risk project. He has been involved in other projects including; Oakland Army Base, Yerba Buena Gardens and Yerba Buena Gardens Children's Center, Fillmore Center Residential Towers, LAX Terminal 2, Stoufferts Concourse Hotel and Hollywood Park Racetrack Expansion.

E.R. "Skip" Sowko, Senior Design & Engineering Manager TRANSBAY JOINT POWERS AUTHORITY (TJPA)

Skip Sowko joined TJPA in March 2017 and brings more than 38 years of engineering experience gained while at the California Department of Transportation (Caltrans). Before joining TJPA, his extensive work in the San Francisco Bay Area included serving as a Principal Transportation Engineer (Division Chief for the Division of Design South-Caltrans) for 14 years. This experience included leadership roles as Project Director on the Presidio Parkway and Project Manager on the Tom Lantos Tunnels at Devil's Slide. He received his Bachelor of Science in Civil Engineering at the University of CA, Irvine and is licensed as both a Civil Engineer and Geotechnical Engineer in the State of California.
