The Magic of
Design-Build

2011 DESIGN BUILD AWARDS • SPONSORSHIPS

This marks the Western Pacific Region's fifth annual design-build awards competition!

The awards competition honors projects in our Region area (California, Nevada, Hawaii and Arizona) that exemplify the principles of interdisciplinary teamwork, innovation, and problem solving that characterize design-build delivery.

Owners, Engineers, Designers and Contractors will showcase their award worthy projects and detail the behind the scenes efforts and tricks-of-the-trade that led to their successful design build process - all part of the unveiling the magic!
