

DBIA-WPR LA/OC CHAPTER (IN-PERSON)

LA & OC Life Sciences

The Sleeping Giant of Design-Build

Join DBIA-WPR for the first in-person LA/OC event this year. This panel features local industry experts in Science & Technology. Professionals from Cannon Design, BNBuilders and HATCHspaces will provide insights to winning and delivering successful projects utilizing Design-Build in the Life Science space. Learn how the life science market is growing in Los Angeles and Orange County, what anchor tenants are keeping people here, and how design-build can better overcome obstacles in life science projects.
