

# DBIA-WPR 2025 Regional Conference

## Call for Presentation Proposals

The Design-Build Institute of America (DBIA) – Western Pacific Region (WPR) will be hosting its 9th annual conference on Tuesday, August 19<sup>th</sup> through Friday, August 22<sup>nd</sup>, 2025, at the Gaylord Resort, Chula Vista (greater San Diego), California and you are invited to submit a proposal for presentation! Presentation sessions will occur on Wednesday, August 20<sup>th</sup> and Thursday, August 21<sup>st</sup>. This year’s conference theme is **Building our Future Leaders. Primary areas of interest for presentations this year based on the conference theme and our membership feedback are mentorship, leadership, and progressive design-build.**

The conference provides a platform for experienced, knowledgeable, and well-spoken industry professionals to share leadership and mentorship examples and key aspects of Design-Build project delivery. Be an integral part of the DBIA WPR, as we educate our membership, and promote the value of Design-Build project delivery and the effective integration of design and construction services to enhance the value proposition for owners, practitioners, and everyone in our community.

**SUBMITTALS ARE DUE BY FRIDAY, FEBRUARY 28<sup>th</sup>, 2025 at 5:00 PM PST.**

Although there is no restriction on topics, the primary focus this year will be Mentorship, Leadership, and Progressive Design-Build. Suggested potential topics of interest are listed below.

<b>MENTORSHIP</b>	<b>LEADERSHIP</b>	<b>PROGRESSIVE DESIGN-BUILD</b>
Mentorship Development Programs	Building and sustaining high-performance teams	Progressive Design-Build Done Right
Mentor-protégé relationships	Successful team integration, collaboration & behaviors	Owner considerations in choosing design-build or progressive design-build delivery
Preparing the next generation of design-build professionals	Big Room leadership	Design-build RFP requirements that get you the team you want
Professional development programs	Culture vs. Contract – Leadership Examples	Developing measurable performance-based requirements and goals

MENTORSHIP	LEADERSHIP	PROGRESSIVE DESIGN-BUILD
Perspectives of young professionals on impactful mentors and/or practices	Leveraging diversity for the benefit of the project	Design management practices to enhance collaboration and value generation
Design-Build training in Universities	Leveraging diversity for the benefit of the project Leadership in difficult situations	Getting to a reliable GMP in a progressive design-build project
ASC Design-Build Competition lessons learned	Importance and role of the Design Integration Manager	Target Value Design
What do young professionals want from their organizations?	Incentivizing the right behaviors	Criteria Document current state best practices
How to retain your young professional talent	Lessons in leadership from other industries	Hard Lessons Learned case studies
