

LA/OC CHAPTER YOUNG PROFESSIONALS CLARK CONSTRUCTION - LONG BEACH CIVIC CENTER PROJECT TOUR

Thursday, February 22, 2018
5 pm - 7 pm

DESIGN-BUILD PROJECT TOUR **Long Beach Civic Center**

Limited to 30 attendees. First come - first served.

EVENT DESCRIPTION

Join other Young Professionals from 5 pm to 7 pm as we tour the Long Beach Civic Center in Downtown Long Beach. Project leads from both Clark Construction and SOM (architect of record) will be taking attendees through a project overview and breaking down many of the challenges and opportunities that have been presented throughout the life of this design-build project. Points of view and interactive discussions will demonstrate best practices and lessons learned at every level including facilitating the relationships between the contractor, architect and owner.

Speakers:

Ashley Kelly (Clark) Project Manager
Jane Parry (Clark) Project Manager
Brian Hart (SOM) Architect

AGENDA

This will be a tour with the following agenda:

5 pm Tour
7 pm Event Concludes

LOCATION

Tour will meet and start from:

114 Chestnut Avenue
Long Beach, CA 90802
(Clark jobsite trailer)
