

DIGNITY HEALTH | A DESIGN-BUILD TRANSFORMATION

What is the mindset, tactics and changes an organization will go through to switch from a Construction Manager at Risk to Design-Build delivery method? How can an organization make this leap and how can the support teams in the architectural, engineering, and contracting community assist to make this transition successful? Don't miss the opportunity to hear from one of the Nation's leading healthcare providers and systems, Dignity Health, along with partners that worked collaboratively during the initial transition Orcutt | Winslow (Architects) and Kitchell Contractors. Having completed several Design-Build projects from small scale to large scale, Dignity Health is the fifth largest healthcare system in the nation and is made up of more than 60,000 caregivers and staff who deliver excellent care to diverse communities in 21 states. Expect to participate in an interactive audience program to gain special insight into making the mental shift to Design-Build and creating win-win partnerships.

Thursday, October 13, 2016

LUNCHEON

11:30am - 1:30pm at Phoenix Airport Marriott

SPEAKERS

Ed Lindsay - Vice President, Construction & Real Estate, DIGNITY HEALTH
Ed is currently overseeing all the construction projects over the entire central coast service area. In addition to over 40 projects in different phases of design and construction, Ed also oversees all lease transactions over the northern market, including over 90 active leases. Ed is the licensing liaison for the northern market. A graduate of California State University Long Beach, Construction Management program, Ed is LEED accredited.

Dave Chacon - Corporate Area Director, DIGNITY HEALTH
Dave is overseeing capital projects of \$5.0M or more for fourteen different campuses in the Western portion of the United States. Dave's duties include managing the capital program from strategic preliminary planning stages through the environmental impact report approvals, project budgeting, planning, design and agency approvals, construction contract negotiations, construction, through final occupancies and project close out. He is also a certified Office of Statewide Health Planning and Development Level A Hospital Inspector.

Carl Nelson - Managing Partner, ORCUTT | WINSLOW ARCHITECTS
Carl joined Orcutt|Winslow in 1988 and began his career designing and overseeing the construction of schools. Carl developed an interest and expertise in the design of Healthcare Facilities, and became Orcutt|Winslow's Healthcare Studio Director. Today, Carl is one of five Managing Partners in the firm, and focuses primarily on Healthcare related projects in Arizona, California, Nevada and Texas. Carl is responsible for developing a very successful relationship with Dignity Health, and is the Partner in Charge of projects at Mercy Gilbert Medical Center, Chandler Regional Medical Center, St. Joseph's Hospital and Medical Center in Phoenix, and the Dignity Health St. Rose Dominican Hospitals projects in Henderson, NV. Carl has served on many community Boards, and currently serves on Dignity Health's Arizona market East Valley Foundation Board.

Michael Walsh - Project Director, KITCHELL CONTRACTORS, INC.
As the director of the \$97M Dignity Health St. Rose Dominican Hospital Siena campus tower construction project, Mike provides total oversight of the project's progression which has included up to 250 onsite workers during peak periods. A DBIA Professional™, Mike has brought innovative solutions to the project, including prefabrication of critical elements and the latest virtual construction technology, to accelerate the schedule and improve quality. Kitchell is an employee-owned builder, developer, program and facilities manager, ranked among the "Top 50 firms" in ENR.
