

DISRUPTING THE DESIGN-BUILD RFP PROCESS

Thursday, May 5, 2016 at 11:30am

SAN DIEGO LUNCHEON

Hilton San Diego Airport/Harbor Island

We live in a region that blazed a trail in design-build. From some of the country's biggest projects to the most complicated, we've defined and refined the way design-build is being procured and delivered. But, we're not done yet. Join us for an engaging discussion about what's next in design-build. Our panelists embrace the ideas of continuous improvement and challenge themselves to better the design-build process even if it means disrupting it. By deconstruction, and even disrupting the process, they're getting better outcomes.
