

IPD FOR DESIGN-BUILD

A presentation on the practical application of Integrated Project Delivery (IPD) and IPD "ish" principles to design build delivery. The presentation will include examples of IPD strategies put in place on recently completed projects.

Thursday, February 7, 2013 at 11:30am LUNCHEON

Hilton San Diego Airport/Harbor Island

SPEAKER

Lisa Dal Gallo, Partner at Hanson Bridgett

Lisa has more than 25 years of experience in the construction industry. Prior to becoming a lawyer, she worked for several years in project management and engineering for a large national construction company holding various field and office positions. During that time, she completed millions of dollars worth of work-in-place for the core-and-shell and tenant improvement divisions in the following sectors: hospitals and other healthcare facilities, laboratories, retail space, office towers, high-rise residential, and light industrial. The primary focus of her transactional practice is advising owners, designers, contractors or project teams regarding multi-million dollar design and construction deal structures utilizing collaborative and integrated delivery processes. Lisa has co-authored respected industry papers such as "Integrated Project Delivery-The Game Changer" and "How IPD Can Help Your Project Succeed". (J.D. Syracuse University 1996/ B.S.
